

Summer internships exercise

Find out about opportunities to do a summer internship on the beach with well-tanned members of the Faculty of Web Training.

The Faculty of Web Training's summer internship programme gives you the chance to ~~delve~~^{explore} into the dynamic world of web content creation and management, while ~~working on your tan~~^{enjoying the summer sunshine in Wellington}.

Get hands-on experience

This program is designed to give you hands-on experience in the field of web editing. It will allow you to develop crucial skills that are in high demand in today's digital landscape.

Programme highlights

During the internship, you'll gain experience in web content editing, plain language and user experience.

We are now accepting internship applications for the summer of ~~2024-5~~²⁰²⁷⁻²⁸. Apply by Friday ~~27~~²⁶ September ~~2024~~²⁰²⁶.

Apply for a summer internship >

A vibrant community

In addition to the skills and knowledge gained, the programme offers a vibrant and collaborative learning environment. ~~Classes~~^{Some classes} are taught on the beach at Oriental Parade, ~~meaning~~^{This means} you can work on your summer tan while gaining valuable professional skills.

and you can suggest other outdoor locations too.

Check if it's safe to swim in between classes on the Land, Air, Water Aotearoa website.

You can't beat studying on the beach in Welly on a good day.

Contact
