

Have you supported someone through the Assisted Dying process?

We are looking for family members who have been involved in someone's assisted dying journey to share their experiences.

What's involved?

60 to 90-minute interview via video call, phone, or face-to-face

Sharing your experiences confidentially

Choice of an individual or group interview with your other family members

Aims of the study

Understand family experiences and needs

Inform future policies

Enhance care practices

Improve support services

Why participate?

Contribute to important research

Help improve family supports

Share your valuable insights

Influence the future of assisted dying service in NZ

Your voice matters. Help us shape better support for families navigating assisted dying in NZ.

If you are willing to be involved, please complete this short [enrolment form](#) to tell us about yourself. You can also scan the QR code by pointing your phone camera on the image below. A supermarket voucher will be given as a token of appreciation for your time.

You can also go to this website to enrol:
