INTERESTED IN AN EXCHANGE?

How to apply

Step 1: Attend an information session

Information sessions are held weekly during term time at the Kelburn campus or monthly at Te Aro campus.

For further information and times, go to wgtn.ac.nz/student-exchange/about/contact

Step 2: Meet with your student success adviser

Make sure you are aware of what courses are left in your degree, and which ones of those are compatible with studying overseas, by meeting with your adviser and requesting a degree audit.

Step 3: Research possible exchange universities

When submitting your application, you must select three universities and be prepared to go to any one of your choices, as availability is often limited and some Architecture partners can be harder to get into. Make sure you have looked at the courses of your top choices online to check they align with your degree.

Step 4: Apply online

Submit your application via Pūaha. Do this by selecting 'Services & FAQ > Manage my studies > Apply for Outbound Exchange'.

When to apply

For an exchange in the following year:

- apply by 10 July for Trimester 1
