

REREAO—
WELLINGTON GLOBAL EXCHANGE

VICTORIA UNIVERSITY OF WELLINGTON TE HERENGA WAKA

ŌRAUARIKI—
WELLINGTON SCHOOL OF BUSINESS AND GOVERNMENT

Complete up to a year of your degree overseas while paying your regular tuition fees.

We'll even help you finance your trip with a $1,000 grant.

WHO ARE WE LOOKING FOR?

Undergraduate students

Students can go on an exchange in their second or third year. However, it is recommended for students to go in their second year, as only one 300-level course per major can be credited back to a Bachelor of Commerce. It is best to take courses on exchange that are unspecified in credit (earning general points towards your degree), rather than take major requirements.

Postgraduate students

For exchange eligibility for postgraduate programmes, contact your faculty.

Email your student success adviser or info@vuw.ac.nz if you have any questions about these requirements.

KITEA IMPACT PROGRAMME

Students who participate in the Kitea Impact Programme could receive a further $1,000 grant for their exchange.

wgtn.ac.nz/kitea

BENEFITS OF GOING ON AN EXCHANGE

- Study business or government in an international context
- Make new friends from around the world
- Study in English or the local language
- Receive an automatic $1,000 grant
- Pay only Victoria University of Wellington tuition fees (overseas tuition fees are waived)
- Remain eligible for StudyLink (domestic only)
- Receive support from Wellington Global Exchange throughout your exchange journey

INTERESTED IN AN EXCHANGE?

How to apply

Step 1: Attend an information session

Information sessions are held weekly during term time at the Kelburn campus.

For further information and times, go to wgtn.ac.nz/student-exchange/about/contact

Step 2: Meet with your student success adviser

Make sure you are aware of what courses are left in your degree, and which ones of those are compatible with studying overseas, by meeting with your adviser and requesting a degree audit.

Step 3: Research possible exchange universities

When submitting your application, you must select three universities and be prepared to go to any one of your choices, as availability is often limited and some Business partners can be harder to get into. Make sure you have looked at the courses of your top choices online to check they align with your degree.

Step 4: Apply online

Submit your application via Pūaha. Do this by selecting 'Services & FAQ > Manage my studies > Apply for Outbound Exchange'.

When to apply

For an exchange in the following year:

- apply by 10 July for Trimester 1
- apply by 1 December for Trimester 2.
