Virtual Reality Design

Media Design

MDDN Major Overview

200 level courses

MDDN211

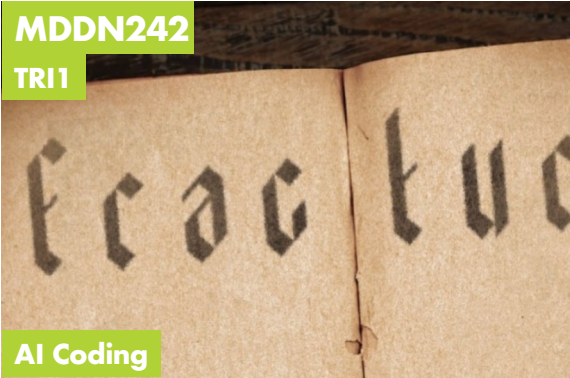

TRI1

A landscape view of a coastal town with a large building and a plane in the sky. The word "english" is overlaid in a large, blue, serif font.

Digital Video Creation

MDDN242

TRI1

A close-up of a cardboard box with the word "lecture" printed on it in a stylized, black, serif font.

AI Coding

MDDN222

TRI2

A person's hands are shown interacting with a virtual reality interface. The interface includes a keyboard, a mouse, and a control panel with various buttons and a digital display showing "124".

Virtual Reality Design

MDDN231

TRI2

A close-up of a circular, glowing purple object, possibly a light fixture or a piece of art, with a textured, metallic surface.

Physical Computing

200 level BDI Requirements

BDI core courses: DSDN221, and one of these interdisciplinary studios: DSDN211, DSDN242, DSDN244

Major Requirements

45 x 200 level MDDN accredited points (MDDN200-299)

SECOND YEAR

ANFX221

TRI1

A digital illustration of a character with blue hair and large, expressive eyes, looking upwards. The character is wearing a white shirt and a blue tie.

Digital 2D Animation

ANFX211

TRI1

A scene from a 3D animated film showing a character in a red suit standing in a room with a large exclamation mark on the wall.

Character Animation 1

COMD241

TRI1

A black and white portrait of a woman with long hair and glasses, looking directly at the camera.

Visual Narratives

INDN204

TRI1

A collection of various 3D models and designs, including a car, a house, and a chair, displayed on a grid.

Materialised Codes
